

Did you know....

At Oxford Mutual you are an Owner!

Oxford Mutual is owned by policyholders and managed by a board of directors who are policyholders themselves.

It's important to have an appraisal completed for jewellery, classic cars and other valuable items.

There are special limits in place on policies for these types of items. Avoid the surprise in the event of a claim!! Have an appraisal completed and provide a copy to Oxford Mutual & speak to your agent or broker about appropriate coverages.

Oxford Mutual sells Loss Prevention Supplies

We carry everything from fire extinguishers to carbon monoxide detectors to flood alarms. Call and speak to our Loss Prevention Representative Dan Mishchenko for more details.

Home Evaluations are completed for your benefit

A home evaluation is requested and is completed by your Agent or Broker. This is done to ensure that your home is insured to its full value to provide you the piece of mind in knowing you are properly covered.

There is an advantage to getting older

The Mature Person Discount will reduce the Residential Package Premium by 10% when the Named Insured is age 50+.
